### News Release

#### ORANGEVILLE – The Orangeville Lions Club Supports Island Lake Rowers

The Orangeville Lions Club recently helped the Island Lake Rowing Club purchase its first new 37 foot, 4 person racing shell. This is the first new boat for the Rowing Club in its campaign to raise funds to support the high school rowing program. Earlier this month the new boat was used in its first regatta held in St. Catharines.

Members of the ODSS racing team practicing on Island Lake

The Club now has over 130 high school rowers participating in their regular student program. These rowers can be seen practicing early in the morning on Island Lake.

In addition, the Rowing Club also conducts an Adaptive Rowing program for young people with disabilities and a Learn-To-Row program open to any person.
