News Release

ORANGEVILLE – Lions Paul Snell (left) and Dave Baker (right) welcome Lion Sandy Brown (centre) back to the Orangeville Lions Club.

Lion Sandy was previously a member of the club, who due to his work and travel schedule left the club for a period of time. Sandy recently made a career change that will see him back working primarily in the Orangeville area.

Lion Sandy was previously known for his strong commitment to the Orangeville Lions and his dedication to the principle of “We Serve” in both our local community along with a special interest and participation in a provincial Lions camp for those with sight impairments located on Lake Joseph. Sandy is also known for his active involvement and assistance in various minor sports activities in Orangeville.

The Orangeville Lions are very pleased that Lion Sandy is back in the club.
