News Release

ORANGEVILLE – The Orangeville Lions Club recently made two presentations as part of its Lions Week celebrations. This was part of an international week of recognition for Lions Clubs and their community service contributions around the world.

Left: Lion Dave Baker, President of the Orangeville Lions Club, presented Lion Bruce Blears and District Governor Ron Elliott with a contribution to a Youth Effective Speaking Competition. The local event will take place in Orangeville on February 10, 2010. Local winners will then be able to move on to regional and district competitions.

Right: Lion Dave Baker also made a financial presentation to District Governor Ron Elliott that will be directed toward Camp Dorset. Camp Dorset is a Lions facility with full dialysis capability. The camp provides an opportunity for those people who require multiple weekly treatments to get away from home and participate in a camp setting in Muskoka. An Orangeville resident was able to participate in this unique opportunity in September 2009. Participants are still to be selected for 2010 participation.

Lions Clubs International is the world's largest service club organization – made up of a network of nearly 1.4 million men and women in approximately 45,000 clubs in more than 200 countries and geographical locations around the world.
